Iowa County Fair Severe Weather Emergency Plan

Steps that will be taken in the case of a Severe Weather Emergency

1. The Fair Board will have a weather radio in the Office or manned at all times.
2. If the National Weather Service announces a **Watch** for Severe Weather, the Iowa County Fair Board will speak to the Mineral Point Fire Department Chief and get more information that will be announced to fair attendees over the fairgrounds PA system.
3. If the National Weather Service Announces a Severe Weather **Warning**, the Iowa County Fair Board will contact the Mineral Point Fire Department Chief to get in-depth information that will be announced to fair attendees over the fairgrounds PA system.

Evacuation Process

- In case of an evacuation, the lower and upper gates will be used for vehicle traffic. You will be directed out of the upper gate near the main office and all vehicles will be required to turn right. If using the lower gate near the Schimming Building all vehicles will be required to turn left. The middle gate will be for foot traffic or individuals that are without transportation. Buses will be located in the Cummins parking lot to take individuals to a safe area.

Take Cover on the Grounds

- There is not a lot of cover on the grounds. The only severe weather shelter would be located inside of the underpass (tunnel) or inside of the bathrooms under the grandstand.

In Case of Barn or Structural Fire

- One very important thing to keep in mind is keeping people out of the barns and away from the area to allow the firefighters plenty of access to do their job.
- The firefighters' main concern is protecting human lives, so individuals are strongly discouraged to attempt to save any livestock in the case of a barn fire.
- Keep fire lanes and entrances to the barns clear of vehicles so the fire department can get into the building with ease.

In Case of a Medical Emergency

- The Iowa County Fair Board has a person at the front gate on an ATV that can lead the EMT's from the front gate to the individual in need of care.
- It is of utmost importance to **keep the areas clear of onlookers** in order to make way for the EMT's.

Junior Fair (4-H/FFA) and Open Class entries are to be completed online.

Entry information can be found in the fair book which is located on the fair website, Facebook, or in a printed paper copy.

Livestock

1. Tampering, and/or inhumane treatment as determined by lead veterinarian and superintendent; and/or misrepresentation as to breeding, age, ownership, and any other irregularity in showing will be considered fraud and deception.

2. To maintain a high degree of confidence and integrity in the livestock shows, the Iowa County Fair reserves the right to disqualify any animal fitted in an unethical manner and to disqualify the exhibitor. Unethical fitting shall include any injection of gas, solid, or liquid to alter the normal confirmation.

In addition, it shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. 6. All pens must be cleaned by the exhibitor on last day of fair.

7. All stalls must be left sufficiently open to give visitors ample opportunity to inspect the animals. No livestock shall be blanketed between the hours of 10 a.m. and 4 p.m. after Friday without the permission of the superintendent of the department.

9. All horses and cattle competing for premiums must be broken to halter, and no animal will be allowed to run at large upon the fairground.

10. The owner of the dam at the time of service shall be considered the breeder of the animal.

11. Exhibitors shall hold themselves in readiness to have their exhibits appear in competition in the arena and on all parades whenever required by the superintendent of department.

12. Due to liability issues all animals and livestock must stay in their assigned areas of the fairgrounds. No wandering the fairgrounds with your animals.

13. If an animal dies on the fairgrounds, the owner must remove within 2-4 hours.

14. All commercial livestock haulers must provide proof of insurance to the fair office. If hauler fails to produce proof of insurance prior to loading, the fair does not accept any responsibility for injury or death once animal is on the trailer.

Fire and Police Protection

1. The buildings are located about a one-mile distance from the fire station in Mineral Point and every precaution will be taken to prevent conflagrations, but the fair will not assume any responsibility to pay for any losses or damages from theft or violence. Exhibitors must take their own risk.

ATCP 160.02 Premium requirements. (1) GENERAL. (a) The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a county or district fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft. (b) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair. (c) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason. (d) State aid may be paid on no more than 2 premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits. (e) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class. (f) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests. (2) PREMIUM LISTS. (a) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. In lieu of an entry fee, a county or district fair may charge stall rents for horses, cattle, sheep, goats, swine, poultry, rabbits or pets. (b) Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket. (4) SPLIT FAIR DATES. (a) For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year. ATCP 160.04 Junior fair division; general.

(1) In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are under 20 years of age on January 1 of the current fair year. A county or district fair board may establish subgroups within a junior fair entry class based on

the exhibitor's grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair. (2) All exhibitors in the junior fair division shall be members of 4-H, FFA, a scouting program, a breed group, or another recognized youth organization under adult leadership that has an education program appropriate to that organization and is approved by the fair board.

(3) Exhibits in the junior fair shall be the product of the exhibitor's own labor. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided that the fair board approves the project, skill area, or supervised occupational experience as an exhibit. (4) State aid may not be used to award more than one premium to any exhibitor in any department in the junior fair division, except that: (a) A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. IV. (b) An exhibitor may receive a separate premium for showmanship where authorized under subch. IV. (c) An exhibitor may receive more than one premium in a department for which additional premiums are specifically authorized under subch. IV. (5) Under subch. IV, within each of the junior fair departments 9, 10, 13 to 16, 18, and 20 to 29, a fair board may establish one or more entry classes for self-determined projects that are related to that department. The fair board may establish class entry criteria, including student grade level criteria. Entry classes are open to 4-H members enrolled in a designated 4-H project or an alternative project that follows 4-H project guidelines, and to members of other youth organizations that do equivalent work and apply equivalent guidelines. Exhibits may be judged using the regular or Danish judging system. For each entry class, a fair board may pay first-place to fourth-place premiums at any of the following levels designated by the board: (a) Premium level one: \$2.00, \$1.75, \$1.50, \$1.25. (b) Premium level 2: \$2.50, \$2.25, \$2.00, \$1.75. (c) Premium level 3: \$3.00, \$2.75, \$2.50, \$2.25. (6) If 16 or more animals, items or articles are entered in any junior fair class, the class may be divided into 2 or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class. (7) Special educational exhibits may [be] established if the proposal is presented to the Wisconsin association of fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department. (8) Within any junior fair department under subch. IV, a county or district fair may establish special classes where none are specified under subch. IV. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under subch. IV. History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; am. (8), Register, July, 1995, No. 475, eff. 8-1-95; am. ATCP 160.05 Open division; general requirements.

(1) The total maximum premiums set forth for all places in any open division livestock class, excluding poultry and rabbits, may be divided into premiums for a greater number of places, but the maximum premium offered for any additional place shall not be higher than the maximum for last place in the class. (2) All animals in any open division class shall be owned by the exhibitor, except as provided in s. ATCP 160.09. History: Cr.

Register, November 1990, No. 419, eff. 12-1-90; CR 11-037: r. (2), renum. (3) to be (2) Register April 2012 No. 676, eff. 5-1-12.

ATCP 160.07 Classes; general requirements.

(1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department. (2) (a) Except as provided under par. (b), no county or district fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered purebreds. Registered purebred status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration. (b) Paragraph (a) does not apply to dairy cattle exhibited at a county or district fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed. (3) Any animal entered as part of a group class may also be exhibited in a class for individual animals. (4) Boars may not be entered as an exhibit in the swine department unless their tusks have been removed. (5) The age of an animal, for purposes of determining its entry class under this chapter, shall be determined as of the opening day of the fair. History: Cr. Register, November, 1990, No. 419, eff. 12-1-90; renum. and am. (2) to be (2) (a) and cr. (2) (b), Register, July, 1995, No. 475, eff. 8-1-95; CR 11-037: cr. (4) (a) No state aid will be paid on premiums awarded under the Danish system in any classes except in the junior and educational departments. (b) When classes in the junior and educational departments are judged according to the Danish system, 4 group placings shall be awarded in any class.
