Iowa County Fair Severe Weather Emergency Plan

Steps that will be taken in the event of a Severe Weather Emergency

1. Members of the Iowa County Fair Board or employees will be in the fair office and have a weather radio that is monitored at all times. They will also be monitoring the grounds on a UTV.
2. If the National Weather Service announces a **Severe Weather Watch or Warning**, the Iowa County Fair Board will be in contact with the Iowa County Sheriff's Office and Mineral Point Fire Chief. Pertinent information will be announced to fair attendees over the fairgrounds PA system.

If the National Weather Service advises our location to **take cover**, the Iowa County Fair Board will give further direction using the fairgrounds PA system.

Evacuation Process

In case of an evacuation, both the lower and upper gates will be used for vehicle traffic. All vehicles near the upper gate by the main office, will exit that gate and be required to turn right. If using the lower gate near the Schimming Building all vehicles will be required to turn left. The middle gate will be for foot traffic or individuals that are without transportation. Buses will be located in the Cummins parking lot to take individuals to a safe area.

Take Cover on the Grounds

The severe weather shelters will be the underpass or tunnel as well as the bathrooms under the grandstand. If you are closer to the main entrance you will take cover inside the main building away from windows and doors. Plan to stay inside until weather forecasts indicate it is safe to leave.

In Case of Barn or Structural Fire

Call 911 - Report the location of the fire. Notify the fair office by calling 608-987- 3490

It is very important for everyone to safely exit the barns immediately. Clear the outside area as well to allow the firefighters access to do their job. First priority is protecting human lives, so individuals are strongly discouraged to attempt to save any livestock or belongings in the case of a barn fire. Keep fire lanes and all entrances to the barns clear of vehicles so the fire department can get to the building with ease.

In Case of a Medical Emergency

Call 911- Report the emergency and your location on the grounds. Give as many details as you can (age of patient, injury, severity) Notify fair office by calling 608-987-3490

In addition to being on the grounds, There will be a person at the front gate on an ATV that will lead EMT's to the individual in need of care. It is important to keep the areas clear of onlookers to allow space for the EMT's. There are First Aid Kits located throughout the Fairgrounds.

Junior entries are required to be completed online.

GENERAL REGULATIONS FOR ALL EXHIBITORS

1. Entries competing for premiums must be made in the name of the bona fide owner.
2. Exhibitors shall not be allowed to enter any article or collection of articles, animal or animals, as the case may be, for more than one premium, except as provided in the rules which specifically govern the separate classes, and which will be found printed at the beginning of said classes.
3. Exhibitors using deception, or making entries in a fraudulent manner, shall forfeit all rights to any premiums to which they might otherwise be entitled, and they shall be barred from making exhibits for the space of one year, or more years, at the discretion of the board of directors.
4. The judges or superintendents shall have the power to require an exhibitor to make an affidavit that he is making his exhibit in accordance with the rules of the fair.
5. The fair reserves the right to reject or accept conditionally or expel any exhibit which would be a menace on account of its condition or character.
6. Open and Senior divisions can make their entries by mail or online. No entries will be made unless entry fees are paid in advance.
7. Exhibitors (junior and open class) whose payment is not made in full or is returned for NSF will be removed from judging and will not be allowed to place, therefore forfeiting the premium payment for any of the unpaid exhibits.
8. If an entry fee is returned for NSF, the Iowa County Fair Society, Inc. will charge a \$25 fee plus the amount of the NSF check.
9. The grounds will be open to receive livestock and Exhibit Building entries on Wednesday and Thursday of the fair.
10. All livestock trailers must be parked in areas designated as trailer parking.
11. **ALL ANIMALS MUST STAY ON GROUNDS UNTIL 4pm on MONDAY.**
12. No exhibit shall have any ribbons or prizes won at other fairs or signs or banners, displayed about it, until after the judges have finished marking all awards in the respective classes.
13. Exhibitors will, at all times, give the necessary personal attention to whatever they may have on exhibit and at the close of the fair take the entire charge of the same.
14. Use of four-wheelers or utility vehicles on the fairgrounds is prohibited except by fair officials or individuals with mobility limitations (these individuals must provide proof of insurance to the fair office).
15. NO pets allowed on the fairgrounds except show animals accompanied by the proper veterinary paperwork. Only service animals allowed.
16. No junior exhibitor can enter the same exhibit in both open and junior fair.

Livestock

1. Tampering, and/or inhumane treatment as determined by lead veterinarian and superintendent; and/or misrepresentation as to breeding, age, ownership, and any other irregularity in showing will be considered fraud and deception.
2. To maintain a high degree of confidence and integrity in the livestock shows, the Iowa County Fair reserves the right to disqualify any animal fitted in an unethical manner and to disqualify the exhibitor. Unethical fitting shall include any injection of gas, solid, or liquid to alter the normal confirmation. In addition, it shall include any cutting or tearing of the hide, cutting or tearing underneath the hide or removal of tissue in any attempt to alter the shape or appearance. It shall also include attempts to disrupt or change normal dental development, dyeing or coloring hair, adding artificial trailheads, switches, polls, hair and heels, as well as any attempt to change the confirmation and degree of firmness, by administration of fluids internally or externally in a liquid or solid state. The use of clenbuterol is prohibited.
3. All exhibitors, their immediate family and any other parties involved in the unethical fitting and showing of an animal will be subject to the forfeiture of award(s) and premium(s). This might include forfeiture of auction proceeds; and/or dismissal from the fairgrounds; and/or being barred from competition immediately and in the future at the Iowa County Fair.

4. The superintendent of livestock shall have full power in the assignment of stalls and pens, which will be determined by advanced entries and general attractiveness of the exhibit.
5. All stalls and pens must be cleaned out and the exhibits put in condition before 9:00 a.m. each day, so that the refuse can be taken away before the arrival of visitors.
6. All pens must be cleaned by the exhibitor on the last day of the fair.
7. All animals should be labeled with the name of the exhibitor.
8. Exhibitors shall bring their own feed.
9. All horses and cattle competing for premiums must be broken to halter, and no animal will be allowed to run at large upon the fairground.
10. The owner of the dam at the time of service shall be considered the breeder of the animal.
11. Exhibitors shall hold themselves in readiness to have their exhibits appear in competition in the arena and on all parades whenever required by the superintendent of the department.
12. Due to liability issues all animals and livestock must stay in their assigned areas of the fairgrounds. No wandering the fairgrounds with your animals.
13. If an animal dies on the fairgrounds, the owner must remove it within 2-4 hours.
14. All commercial livestock haulers must provide proof of insurance to the fair office. If hauler fails to produce proof of insurance prior to loading, the fair does not accept any responsibility for injury or death once the animal is on the trailer.

Fire and Police Protection

1. The buildings are located about a one-mile distance from the fire station in Mineral Point and every precaution will be taken to prevent conflagrations, but the fair will not assume any responsibility to pay for any losses or damages from theft or violence. Exhibitors must take their own risk.
2. Police will be on duty day and night to guard the interests of the exhibitors, but the fair will not assume any responsibility to pay for any losses or damages from theft or violence. Exhibitors must take their own risk.

Permits and Privileges

Permits for advertising privileges, stands, the sale of wares, and everything else of this character, may be secured upon application to the fair secretary of permits and privileges. All privileges are payable in advance.

No concessions shall be sold for any games of chance or immoral exhibitions.

1. Each concessionaire must confine himself to the space assigned to him, and to the business for which he purchased the same, and he will not be allowed to sublet any portion of his space.
2. Concessionaires shall not voluntarily abandon their location and remove their outfits from the grounds before the last day of the fair, without first obtaining permission from the superintendent of permits and privileges to do so.
3. Concessionaires must abide by the rules of the fair and the terms of the licenses, and failure to do so shall subject them to forfeiture of the privileges and exclusion from the ground without reimbursement.

Miscellaneous

1. It is the intention of the fair to offer every facility possible to our patrons for the transaction of business, and at the same time protects us from imposters. We believe everyone will recognize the fairness of this rule and heartily cooperate with us in carrying it out.
2. Competition in open class is limited to the State of Wisconsin, Junior Fair exhibitors must belong to an approved Iowa County Youth Organization OR the youth must reside in Iowa County and be a member of a Fair Board approved Youth Organization, or where otherwise especially noted.
3. No person shall be permitted to remain on the grounds overnight unless in charge of property.
4. Persons maliciously destroying property upon the grounds of the fair will be prosecuted to the fullest extent of the law.
5. The fair will take every precaution for the safe keeping of stock or articles on exhibit after the arrival and arrangement, but the association will not be responsible for any loss that may occur.
6. There will be no smoking in any of the buildings on the fairgrounds, including the grandstand.

 - c. It does not fall into a defined entry class within any department
 - d. It is carried out by a member of a youth organization
13. Youth organization means an organization under adult leadership that has educational programming.

ATCP 160.02 Premium Requirements:

1. General
 - a. The state aid authorized by s. 93.23 (1), Stats., may be paid on net premiums paid by a fair. The department may withhold state premium aid from any fair that does not enforce animal health provisions under ch. ATCP 10 that are applicable to animals exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.
 - b. No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify actions taken by a fair.
 - c. Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.
 - e. No fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.
 - f. No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.
2. Premium Lists

a. Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under s. ATCP 160.92 (3) (c).

b. The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

c. Sections ATCP 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

3. Entry fees

a. A fair may charge an exhibitor an entry fee or charge stall rents for animals, or both.

b. Exhibitors in department 35 shall not be required to purchase an exhibitor's ticket. Any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

4. Split Fair Dates

a. For purposes of this subsection, "split fair dates" occur when a fair organization judges exhibits or contests and pays premiums at more than one time or at more than one location during the calendar year.

b. Except as provided under par. (c), the department may not pay state aid for a fair having split dates unless the department gives advance written approval for a split fair. The department may approve split dates based on hardship.

c. The department may pay state aid for the following exhibits or contests in a fair having split dates with advance notification to the department:

1. Clothing revue

2. Demonstrations

3. Favorite foods revue

4. Dogs

5. Small animals

6. Rocketry

7. Shooting sports

7m. Mechanical projects

8. Other exhibits and contests that are similar to those identified in subds. 1. to 7.

d. If there are split dates under par. (b) or (c), all blue ribbon winners shall repeat their demonstrations or exhibits at the regular fair dates unless the department grants a hardship exemption. An exhibitor may use audio-visual media, still photography or an educational display to repeat a demonstration or exhibit.

ATCP 160.03 Exhibition Requirements:

A fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

1. No fair society or other organization sponsoring a fair may require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor may the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society, or require an exhibitor in any other way to make a donation to the society.

2. State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with an affidavit that the exhibitor's residence is geographically located within the state.

3. State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under s. ATCP 160.02 (4). State aid may not be paid on Dairy Herd Improvement Association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under s. ATCP 160.49 (7).

4. State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. on the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The fair may prescribe the length of time junior fair exhibitors of horses shall keep their animal on the ground.

ATCP 160.07 Classes; general requirements

1. Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.

2. a. Except as provided under par. (b), no fair may receive state aid for premiums awarded for sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses unless those animals are registered. Registered status shall be documented by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration.

[https://docs.legis.wisconsin.gov/document/administrativecode/ATCP%20160.07\(2\)\(b\)](https://docs.legis.wisconsin.gov/document/administrativecode/ATCP%20160.07(2)(b))

b. Paragraph (a) does not apply to dairy cattle exhibited at a fair if a national breed association certifies that those dairy cattle are recorded in that breed association's qualified herd book which records the genealogy of that breed.

[https://docs.legis.wisconsin.gov/document/administrativecode/ATCP%20160.07\(2\)\(a\)](https://docs.legis.wisconsin.gov/document/administrativecode/ATCP%20160.07(2)(a))

3. Any animal entered as part of a group class may also be exhibited in a class for individual animals

4. Boars may not be entered as an exhibit in the swine department unless their tusks have been removed.

5. The age of an animal, for purposes of determining its entry class under this chapter, shall be determined as of the opening day of the fair.

ATCP 160.49 Junior Fair Division-General Requirement

1. In the junior fair division, the department may pay state aid on prizes offered to exhibitors who are ages 8 to 20 years of age on January 1 of the current fair year and exhibitors who are 5 to 9 years of age on January 1 of the current fair year who are exhibiting under s. ATCP 160.65. A fair board may establish specific entry classes within each department. A fair board may establish subgroups within a junior fair entry class based on the exhibitor's age or grade in school. The department may not pay state aid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

2. All exhibitors in the junior fair division shall be members of a youth organization approved by the fair board.

3. Exhibits in the junior fair shall be the product of the exhibitor's own labor. An exhibit may include a study project, merit project or other special project, a skill area, or a supervised occupational experience in which the exhibitor is regularly enrolled, provided that the fair board approves the project, skill area, or supervised occupational experience as an exhibit.

4. State aid may not be used to award more than one premium to an exhibitor in a premium or lot number in the junior fair division, except for any of the following:

a. A premium may be awarded to each member of a group that collectively owns and enters a livestock exhibit in departments one to 5 of subch. IV.

b. An exhibitor may receive a separate premium for showmanship where authorized under subch. IV.

c. An exhibitor may receive more than one premium in a department for which additional premiums are specifically authorized under subch. IV.

6. Special educational exhibits may be established if the proposal is presented to the department before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

7. Within any junior fair department, a fair may establish special classes where none are specified under this subchapter. Special classes may include classes for grade and crossbred females in the beef, swine, sheep and horse departments. Premiums for special classes created under this subsection shall be equal to premiums for comparable classes established in the same department under this subchapter.

ATCP 160.91 Judging Regulations

1. Judging shall be done at fairs by individuals who are registered with the department. In no case shall any person who is an officer or director of a fair be eligible to judge exhibits at such fair; nor shall any person interested directly or indirectly in exhibits shown in any department of a fair be eligible to judge articles or animals in that department.

1m. a. An individual shall register by submitting to the department an application. The department shall register all individuals who qualify to be judges, including having the knowledge, training, or experience in the specific classes to be judged and adhering to ethical judging practices. The registration is valid for five years.

b. An individual submitting an application after July 1 may not judge for the current fair year.

c. A fair representative may request the department waive par. b in cases of unanticipated emergency situations.

2. Each judge at a fair shall be provided with a copy of the fair's premium book or list of entry classes at least 7 days prior to the opening date of the fair.

3. No animal or article, irrespective of the number of entries in the class in which it is entered, shall be awarded a higher rating than its merit would entitle it to in comparison to the standard of perfection in the class.

4. a. Danish system judging may be used in the junior fair division. State aid may not be paid on premiums awarded under the Danish system in any other division.

b. When classes in the junior fair division are judged according to the Danish system, 4 group placings shall be awarded in any class. When there are less than 8 exhibitors in the class, there shall not be more than 2 in the first group, not more than 4 in the first 2 groups and not more than 6 in the first 3 groups. If there are 8 or more entries in the class, there shall not be more than 25% in the first group, not more than 50% in the first 2 groups, and not more than 75% in the first 3 groups.

c. (c) The number of awards in the last group placing may be increased to the extent necessary to give awards to all exhibitors.

4g. When classes in the junior fair division are judged using the conference judging system, the judge shall use sub. (4) (b) and (c) to award placements in a class.

5. If any class of exhibits at a fair is judged according to the regular system, the judges for that class may give only one first-place, one second-place, one third-place and one fourth-place award in that class.

Animal Health Regulations

Fairs and Shows in Wisconsin: 2026 Season

This is a summary of animal health requirements for fairs, shows, and exhibitions. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so always check datcp.wi.gov or contact us for current information. Fairs or exhibitions may have their own additional requirements. Exhibitors should contact the event organizers for more information. Ref. s. ATCP 10.87, Wis. Admin. Code.

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx
- Email DATCPanimalimports@wi.gov
- Call (608) 224-4874

Cattle and bison from Canada must meet current federal requirements to enter the United States and may have additional requirements to return to Canada. See aphis.usda.gov, choose "Trade", Live Animal Import or Export as needed, and then species and country to find requirements.

Requirements are subject to change as conditions warrant. For current information, check https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx.

Swine

Note: *These regulations apply to all swine, including pet pigs and racing pigs.*

Swine FROM WITHIN WISCONSIN (Ref. s. ATCP 10.87, Wis. Admin. Code) need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate)^a:

- Stating that the entire herd of origin on the farm was inspected within 30 days before the show and no apparent disease was present at the time of inspection^d

New for 2026: No testing requirements^c for Terminal and Non-terminal Exhibitions *Effective 3/5/2026: PRRS and PEDv testing is no longer required for swine to attend terminal or non-terminal fairs, shows, or other events.*

Swine FROM OUTSIDE WISCONSIN (Ref. s. ATCP 10.30 and 10.87, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate)^a that includes the following:

- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no apparent disease was present at the time of inspection^d.
- Official individual identification (ID)^b
- **New for 2026: No testing required^c for Terminal and Non-terminal Exhibitions** *Effective 3/5/2026: PRRS and PEDv testing is no longer required for swine to attend terminal or non-terminal fairs, shows, or other events.*

Acceptable methods of ID for swine are^b:

- USDA silver ear tag
- USDA 840 ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Note: Microchips are not accepted as official ID for any swine including pet pigs.

Requirements are subject to change as conditions warrant. For current information check

https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

Sheep and goats

Note: These rules do not apply to non-domestic sheep and goats. See Exotic Ruminants below.

Sheep and goats FROM WITHIN WISCONSIN need:

- If sexually intact, need official individual identification (ID)^b at any age.
- If not sexually intact, need official individual ID^b if they are 12 months or older.
- See below for Official ID options.
- Sheep and goats that go to a slaughter establishment after the fair should have an owner hauler statement to move from the fair to the slaughter establishment.

Sheep and goats FROM OUTSIDE WISCONSIN (Ref. s.ATCP 10.69, 10.76, Wis. Admin. Code) need:

- Certificate of veterinary inspection (CVI or health certificate)^a and official individual ID^b for all animals.
- See below for Official ID options.
- See below for additional requirements for goats from Michigan's Tuberculosis Modified Accredited Zone.
- Sheep and goats that go to a slaughter establishment after the fair should have an owner hauler statement to move from the fair to the slaughter establishment.

Official Identification^b includes:

- Scrapie eartags (including tags on durable and unremoveable *neckstraps for animals with absent/injured ears or with official tattoos – see DATCP Website*)
- USDA 840 ear tags
- Legible breed tattoos (see DATCP Website* and NOTE below)
- Legible scrapie tattoos (see DATCP Website* and NOTE below)
- Approved microchips (Electronic Implantable Identification/EID) – There are many requirements that need to be met to use microchips including a requirement for accompanying tattoos. See DATCP Website* and NOTE below.
- **NOTE:** All sheep and goats **that go through a market or to slaughter** and require Official Identification **must be eartagged** with Official ID. Official ID in the form of a tattoo or Electronic Implantable Identification (EID) is no longer sufficient when moving through a market or going to slaughter.
- **NOTE:** If a Wisconsin-origin animal is neutered, less than 12 months of age, and moving through a market after the fair, the market may require Official ID in the form of an ear tag.
- *For more information on official identification and for owner hauler statements see DATCP Website at https://datcp.wi.gov/Pages/Programs_Services/OfficialID.aspx

Goats from Michigan's Tuberculosis (TB) Modified Accredited Zone –Alcona, Alpena, Montmorency, Oscoda counties- also need:

- Import permit^e
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older^c
- Negative individual TB tests within 60 days before entering Wisconsin^c
- A statement indicating the animals will return directly to the state of origin after the show.^d

For information on obtaining an import permit:

- Online https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx

Poultry and waterfowl (Pigeons are not considered poultry for fairs and shows)

Poultry and waterfowl FROM WITHIN WISCONSIN need ONE of the following:

- For eggs and birds of all ages, an NPIP certificate stating the flock of origin is a US pullorum-typhoid clean and for turkeys a *Mycoplasma gallisepticum* clean flock or NPIP affiliate flock^c or
- For eggs and birds of all ages, documentation the flock of origin is a WI Tested Flock and has tested negative for pullorum-typhoid and for turkeys *Mycoplasma gallisepticum*,^c or
- For eggs and birds of all ages, documentation the flock of origin is a WI Associate Flock^c, or
- For sexually mature birds (turkeys over 6 months, all other birds over 4 months), individual tests within 90 days before arrival at the show. These birds also need wing or leg band identification (ID). All birds must test negative for pullorum-typhoid, and turkeys must test negative for *Mycoplasma gallisepticum*. After testing there can be no change of ownership or commingling with other birds that are not part of the flock except at other shows/fairs. Eggs and sexually immature birds are not eligible for individual testing and cannot be shown unless they originate from an enrolled NPIP, NPIP affiliate, WI Tested, or WI Associate flock.

Note: Flock of origin means the flock in which the birds currently reside, likely the exhibitor's flock. Once purchased birds are added to the buyer's flock, even if the buyer's flock only consists of one or just a few birds, the buyer's flock is the flock of origin and that flock must meet NPIP or WI Tested or Associate Flock status to avoid individual bird testing for shows/fairs.

ALL birds in a flock with status must meet the requirements. Existing flocks lose their status when new additions do not meet requirements.

Poultry and waterfowl FROM OUTSIDE WISCONSIN (Ref. s.ATCP 10.42, Wis. Admin. Code) need a certificate of veterinary inspection (CVI or health certificate)^a or equivalent (such as form VS 9-3) specifically showing movement to the fair or show that states:

- For eggs and birds of all ages, they originate from a flock classified pullorum-typhoid clean and for turkeys *Mycoplasma gallisepticum* clean under NPIP or an equivalent program^c, or
- For sexually mature birds, they have tested negative for pullorum-typhoid (and *Mycoplasma gallisepticum* for turkeys) within 90 days^c before arrival at the show. These birds also need wing or leg band ID^b. Eggs and sexually immature birds are not eligible for individual testing and cannot be shown unless they originate from an enrolled NPIP or equivalent program flock.

Not required:

- Import permit number

Requirements are subject to change as conditions warrant. For current information, check

https://datcp.wi.gov/Pages/Programs_Services/PoultryMovement.aspx.

South American camelids: llamas, alpacas, guanacos, vicuñas

South American camelids FROM WITHIN WISCONSIN have no requirements.

South American camelids FROM OUTSIDE WISCONSIN (Ref. s.ATCP 10.85, Wis. Admin. Code) must have a certificate of veterinary inspection (CVI or health certificate)^a and official individual identification (ID)^b. Official ID may be:

- Approved USDA ear tag number
- Microchip number
- Breed association registration number
- Breed association tattoo

Requirements are subject to change as conditions warrant. For current information, check

https://datcp.wi.gov/Pages/Programs_Services/LlamaAlpacaMovement.aspx.

Iowa County Fairest of the Fair

The role of the Iowa County Fairest of the Fair is to promote the Iowa County Fair and be the official host/hostess during the Labor Day weekend event.

The Fairest of the Fair is a one-year commitment, and a one-time only position. Throughout their reign, the Fairest will attend many events and parades throughout the county, such as the Iowa County Dairy Breakfast. The Fairest will create radio ads with local radio stations, acquire sponsorships and donations for their auction items for the Fair and Convention, and finally compete for the Wisconsin State Fairest of the Fair at the Wisconsin Association of Fairs Convention in January at the end of their reign.

The Iowa County Fair Society will take applications and interview applicants prior to making their selection in August the year prior to his/her reign. The Fairest will be crowned at the current year's Fair during the Harness Race event. Applications for the 2027 Fairest of the Fair are due June 30, 2026. Applications are available at the Iowa County Fair website: www.iowacountyfair.com

The Fairest of the Fair position requires attendance at a minimum of 10 promotional events throughout the county or state and to compete for the title of Wisconsin Fairest of the Fair. Each Fairest will receive a scholarship as well as opportunities to enhance their public speaking and interviewing skills; interact with the community; meet leaders of the agriculture and fair industries; and make lifelong friends with other county Fairest of the Fairs from around Wisconsin.

Applications and questions can be emailed to iowacountyfair01@gmail.com

Welcome

Welcome to the Iowa County Fair! We're delighted to have you here and hope you'll find many enjoyable experiences throughout the event. At the heart of our fair, ethics and integrity are fundamental values that guide everything we do. We recognize that it takes many different talents, backgrounds and perspectives to participate. This is what makes our fair truly special. Many of us having deep roots in this area and event, Let's join forces to create the best fair possible. Feel free to ask questions, share suggestions, and most importantly, show respect to everyone and enjoy!

2026 Fair Theme

We Got a Good Thing Growin'

Code of Conduct

Youth Exhibitors are required to follow their individual youth group's Code of Conduct.

If any part is violated, the Iowa County Fair Board reserves the right to impose consequences as they see fit.

YQCA Certification

YQCA certificate numbers must be entered into FairEntry and are due at the time of FairEntry registration. Certificate numbers will be certified to make sure they are valid.

How to determine which grade level to enter

Grade for entry is the grade the youth just completed.

For example, if they just completed 5th grade this past spring, their grade for entry would be 5th grade.

Clothing Review

Judging occurs before the fair on Sunday, August 16th at 1pm at the Health & Human Services Building in Dodgeville.

Foods Review

Judging occurs before the fair on Sunday, August 23rd at 3pm at the Health & Human Services Building in Dodgeville.

Carcass Class

Beef, swine, sheep, and goat exhibitors have the option to enter the carcass class. This class is judged at a locker plant if their animal is going to Weber Meats or Avon Locker plant. They judge the animal on its actual carcass cutout, yield, and quality grades based on size, marbling, fat cover, muscling, etc. The carcass show is the Wednesday following the fair at 6pm at Avon Locker Plant. **Youth must sign up for this class in FairEntry.** Additionally, if you end up with more than one animal at a locker plant, the animal that went through the auction will be the carcass judged.

Showmanship

Please make sure you sign up for showmanship in FairEntry. Youth will not be allowed to participate in showmanship if they haven't signed up in advance.

Youth Exhibitors

Junior Fair Exhibitors must belong to an approved Iowa County Youth Organization OR the youth must reside in Iowa County and be a member of a Fair Board approved Youth Organization. Any non-4-H or FFA youth organization must fill out the youth organization intake form by March 1st of each year and be submitted for approval by the board for the current fair year.

Face to Face Judging

The following departments will be judged on Sunday, August 30th from 1-6pm
Scale Models (Dioramas)
Ceramics
Mechanical Sciences
Home Environment
Youth Leadership

What is face to face judging:

Youth talk one-on-one with the judge and have their items evaluated. Rather than being compared against other exhibitors, you are compared against a general standard of excellence. The judge will ask questions about the project and how it was done. The judge doesn't have to follow Danish system with this judging so the youth will receive whatever placing the judge feels is appropriate.

How face to face judging works:

When you arrive at the fairhouse, go to the check-in table, there will be numbers available for each department being judged. Grab a number, as that will be the judging order. If you are doing a diorama, please don't grab a number until your project is set up. Listen for your number to be called. We know this is an extremely busy time of year. If you can't make judging day, please put everything you want the judge to know on an index card. This will then be handed over to the judge, and they will give you a placing based on your index card and project.

Conference Judging

The following departments will be judged on Sunday, August 30th from 1-6pm
Scale Models (non-diorama classes)
Knitting/Crocheting
Child Development
Pets***new department

What is conference judging:

All youth who entered a class (ie scarf grades 3-5) will present their projects to the judge at the same time and the judge will evaluate all exhibits in that class. The judge will ask the youth questions about their project. The exhibitor is expected to answer some questions from the judge and also has the opportunity to ask questions to learn ways to improve on his/her skill or knowledge base. The judge must follow Danish system in these classes so only a certain amount of each placing can be given out based on how many are in the class.

How conference judging works:

Once entries have closed, we will work on creating an approximate timeline for when classes will be presented to the judge. This timeline will be emailed out. Plan to arrive early in case classes are running quicker than expected. We know this is an extremely busy time of year. If you can't make judging day, please put everything you want the judge to know on an index card. This will then be handed over to the judge, and they will give you a placing based on your index card and project.

Iowa County Junior Livestock Auction

Chairs:

Sean Brown 608-574-1412

Saturday, September 5 at 3:00pm in the Schimming Building

2026 Sale Order: Cheese (dairy and goat exhibitors), poultry, rabbits, goats, lambs, steers, swine

Objectives:

1. To provide incentives and to encourage participation in livestock feeding projects.
2. To provide recognized youth organizations with a market opportunity to have their market animal projects sold

Procedures:

1. Meat Animal Auction is limited to youth actively enrolled in recognized youth organizations. Animals must be carried as a project throughout the year.
2. Consignments must be made from one animal entered and shown in the regular county fair. Entries for the meat animal auction must be made with the superintendent at check-in/weigh-in.
3. All youth exhibitors of beef, dairy, poultry, rabbits, sheep, swine, and goats must be YQCA certified to be eligible to sell in the auction. Youth will not be allowed to sell if they do not complete YQCA.
4. All market animals will be required to be officially identified according to Iowa County Fair regulations. Notice of identified dates is publicized on the Iowa County Fair website and Facebook.
5. All market animals will be weighed in and checked by a committee from the respective departments on the entry day.
6. Livestock sold must meet the following requirements:
 - Beef steers must weigh at least 1000 lbs
 - Swine must weigh at least 230 lbs and will only be reimbursed up to 285 lbs
 - Market lambs must weigh at least 90 lbs
7. Goats, poultry, and rabbits must be entered in a meat or market class.
8. Youth exhibitors are responsible for contacting, soliciting, and providing buyers for their consignments at the sale.
9. All youth who sell in the auction are required to assist with setting up or cleaning up of the auction.
10. All livestock sold at the sale on Saturday will not become the possession or the responsibility of the buyer until release time of the fair.
11. Consignor is responsible for feeding and care for animals until release time on Monday.
12. Following the sale, it is the responsibility of the youth to post a sign near the animal exhibit indicating the buyer's name.
13. Exhibitors are limited to one animal for the auction.
14. There will be an 8% commission charge on the sale animals, and on the rollover steers this 8% commission is charged on the gross of the generated amount.
15. Neither the fair nor the Auction Committee will make a guarantee as to sale price.
16. No sandals, shorts or hats may be worn in the sale ring.
17. All animals destined for slaughter plants or sale barns will be released per trucking schedule on Monday morning. All other animals returning home will be released at 4pm.
18. Exhibitors who have extra animals that did not sell in the auction must make their own trucking arrangements and schedule an appointment at the processing plant. If there is space in a trailer already going, and it is agreed upon by both parties, the owner sending their animal must pay a \$10 (beef and swine) or \$5 (sheep and goats) fee for liability reasons. Money will be collected by the superintendents at the time of weigh-in. Superintendents must be notified of extra animals by Sunday morning at 9am.
19. Exhibitors must sell their own animal in the auction unless prior arrangements are made with the sale committee prior to the first day of the fair.
20. Exhibitors or a family member must be present on Monday to load their animal(s)
21. Animals or produce donated back for resale will be sold at the end of the auction with all proceeds going to the Iowa County Fair Building fund. The buyer donating the animal or produce back relinquishes all rights to reimbursement.
22. Exhibitors who **sell animals in any other County Fair Meat Animal Auction** are not eligible to sell at the Iowa County Fair Meat Animal Auctions that same year. The only exception to this rule would be if their animals are sold through the Governors Auction at the WI State Fair. Youth may also participate in other Youth Fair shows where their **animals are not sold** without losing their eligibility to participate in the Iowa County Fair Meat Animal Auction.

DEPARTMENT 1: DAIRY

Release: Monday at 4pm; animals may not leave the fairgrounds before this time

Jr. Dairy Memorial Fitting Contest on Thursday at 5 p.m.

There will be a dairy fitting on Thursday evening for those who wish to participate. This contest is open to all youth organizations that are exhibiting in the dairy show. The youth will bring an animal he or she has entered in the dairy show to the Open Class Dairy Barn and have ½ hour to clip the topline.

Participants will be judged on the clipping as well as other fitting factors, such as cleanliness of animal, cleanliness of ears, proper hoof trimming, etc. The topline on the animal must not have been clipped at least three weeks before the fair. All participants will be responsible for bringing all the equipment needed to complete the task and can have one helper if desired (helper cannot clip).

Helper must be a parent or Iowa County Junior Fair exhibitor.

Participants will be divided into two groups:

- participants in grades 7 and below
- participants in grades 8 and over

Awards will be presented, and winners announced the next day at the dairy show.

Mike Robinson- 608-574-1022

Show Date:

Meat Goats- Thur., September 3 @ 1:00pm

Dairy Goats-Thur., September 3 @ 2:30pm

Check in: from 6-7 p.m. on Wed. and all wethers will be weighed in on Wednesday night from 6-7 p.m.

• All animals will be required to have a health identification form filled out (i.e. premise ID number, ear tag, brand, etc.) These forms will be collected by the superintendents at check in.

Release: Mon. Sept. 7th. For all animals destined for a processing plant or sale barn, they will be released in the morning per trucking schedule. Superintendents will communicate loadout times. All other animals excused at 4:00 p.m. Exhibitors who have extra animals that did not sell in the auction must make their own trucking arrangements and schedule an appointment at the processing plant. If there is space in a trailer already going, and it is agreed upon by both parties, the owner sending their animal must pay a \$5 fee for liability reasons. Money will be collected by the superintendents at the time of weigh-in.

Rules:

1. All animals must be in the exhibitor's possession by June 1. Pygmy wether owners should contact the superintendent for their weight information.
2. See Wisconsin Animal Health Rules and Regulations at the front of this book for animal health requirements.
3. Veterinarians will check animals for disease status. If an animal shows signs of illness or infectious disease, including lesions, abscesses (balding or draining), soremouth, ringworm, pinkeye, etc., it will be sent home and will not be allowed in the show ring. Please check your animals carefully prior to bringing them to the fairgrounds.
4. It is recommended that all exhibitors participate in showmanship. A white shirt and white pants should be worn while showing dairy animals.
5. All animals being shown must be provided with a collar or show halter.
6. Pens and the area in front of pens must be kept clean and maintained at all times by exhibitor.
7. Pens must be cleaned out entirely on the last day of the fair by exhibitor and ALL refuse is to be hauled by exhibitor to the designated dump site outside of the barn. (It is recommended that exhibitors bring shovel, pitchfork and wheelbarrow for cleanup.)
8. Animals may not leave the goat barn until release time on the last day of the fair.
9. If you are planning on selling a goat in the livestock auction, you must tell the superintendent at weigh in.
10. All animals must be cared for by the exhibitor during the fair.

DEPARTMENT 6: HORSES

Superintendent:

Deena Vinger 608-574-5453

Show Date: Saturday, August 8th at 9am at the West Arena. Gymkhana will be on Sunday, September 6 at 9 a.m.

Rules:

These rules apply to all youth group members exhibiting in this department.

1. Exhibitors are responsible for complying with Fair Regulations contained in this fair book and the Project Rules & Guidelines pamphlet. We follow Wisconsin 4-H Horse Association guidelines and rules. These can be obtained at the following website: <https://4h.extension.wisc.edu/opportunities/projects/large-animals/horse-project/wisconsin-4-h-horse-association/>
2. Members must enter classes according to their grade in school as of Jan. 1 of the exhibit year.
3. 4-H Members can exhibit in Dept. 6 in only ONE county fair in the state of Wisconsin.
4. Youth are permitted to share a horse. Each exhibitor may show any combination of classes provided the horse is only shown once in a specific class number. *(Horse/pony May Not show against itself)*
5. A single exhibitor may enter a maximum of two animals. Exhibitors and horse may only show once in a class. However, additional horse may be entered in Gymkhana.
6. It is required that youth exhibiting at the shows be accompanied by a parent or a responsible adult.
7. No stallions may be shown.
8. The horse or pony shown must have Coggins and Identified as your project animal by June 1st, except with special permission of the Iowa County Equine Board.
9. Original Coggins certificate must be presented at the county fair horse show or youth will not be allowed to exhibit. Vaccinations for contagious diseases are highly recommended (i.e. Influenza, Rhino, Strangles).
10. Exhibitor/Horse combinations entered in walk/trot classes cannot enter in three-gaited lots.
11. Only the exhibitor is allowed to ride, drive, or school the horse. Show preparation should be done primarily by the exhibitor. No grooms or trainers are to be in the ring (except leaders in the harness classes). NO coaching is allowed from outside the ring. However, if the horse becomes unruly, an adult may step in to assist.
12. A junior (5 years or under) horse/pony shown with a snaffle bit (no shanks) or bosal must be ridden with both hands on reins. They may enter the appropriate stock seat, western pleasure and/or trail class (may use 2 hands).
13. Ponies include height of 56" and under. Any equine over 56" will be considered a horse. Equine Board reserves the right to measure ponies.
14. Appropriate tack and attire, as explained in the State 4-H Expo Guidelines, is required. All riders must wear boots with at least a 1/2" cut-out heel. Securely fastened SEI safety helmets will be required for all mounted riders and drivers while on show grounds.
15. Numbers must be worn on the back of all exhibitors at all times during the show or on both sides of the saddle pad.
16. Good sportsmanship shall prevail at all times by exhibitors, family members, and spectators.
17. Any act of discourtesy to judge or show officials by an exhibitor or any other attendant will be grounds for disqualification and forfeiture of fees.
18. Only the exhibitor can ask the judge a question. No parent can approach or question the judge. **JUDGE'S DECISION IS FINAL!**
19. Safety and fairness to all exhibitors is our goal. Any animal deemed to be unruly or uncontrollable presents a safety hazard and will be excused from the show ring at the discretion of the superintendents, ringmaster, and/or judge.
20. The animal must be in a good state of health and not showing evidence of any contagious or infectious disease. Horses found to be infected with contagious diseases will be ordered to be removed from the fairgrounds.

Exhibitors are eligible for **three premiums**.

21. No cross entering in Halter Classes 1-5.
22. Two premium classes must be chosen from Showmanship, Western Horsemanship, Hunt/Saddle Seat Equitation, Reinsmanship and Trail. A third premium must be chosen from Hunt/Saddle Seat Pleasure, Western Pleasure or Pleasure Driving.
23. Exhibitors with two animals may be awarded up to six premiums total – three premiums in showmanship or horsemanship/equitation or reinsmanship: three premiums per horse in western or hunt/saddle seat pleasure, pleasure driving, trail.
24. Exhibitors may enter as many additional classes as they like for a RIBBON only.

Standard Tunnelers-this course consists of tunnels only. There will be up to 5 tunnels creating a course of 7-10 obstacles. Course time is 60 seconds.

1. Standard Tunnelers on leash
2. Standard Tunnelers off leash

When exhibitors move to Standard Agility (by demonstrating the ability to complete contact obstacles and weaves successfully as determined by the agility leaders), they can compete in both JTT and Standard agility classes at a single event.

Agility Advanced-advanced classes are designed for more experienced youth handlers and their dogs.

- These classes must be performed off leash
- Handlers may choose to enter Advanced classes when they have achieved a qualifying score in Advanced Tunnelers, JTT for Advanced Jumpers or in Standard for Advanced Standard.
- Handlers who entered either one or both advanced classes described below cannot enter Standard Tunnelers, JTT, or Standard Agility.

Classes:

1. Advanced Jumpers-you will compete at your dog's jump height. This course may include single bar jumps, open tunnels, pause table, wing jumps, double and triple jumps, tire jump, broad jump, panel jump, 12 weave poles and closed tunnel (chute). There will be a maximum of 20 obstacles in the course and course time will be 60 seconds (beyond 60 seconds, time penalties will be assessed).
2. Standard-you will compete at your dog's jump height. This course may include single, double, and triple bar jumps, tire jump, wing jumps, broad jumps, panel jump, and 12 weave poles, open and closed tunnels, pause table, A-frame (maximum height of 4'6"), dogwalk, and seesaw. There will be a maximum of 20 obstacles and course time will be 60 seconds (beyond 60 seconds, time penalties will be assessed).
3. Advanced Tunnelers-course will only consist of 7 tunnels to create a course of 12-15 obstacles. The course time is 60 seconds off leash.

Rally

- Exhibitors must complete one year of obedience, or if a dog has basic obedience skills, they can learn Novice Rally if the Rally leader feels you and your dog are ready.
- A dog can be entered at one level of Rally in any given year. Rally level placement will be determined by the Rally trainer.
- List your dog's height at withers on your entry form:

| Height at withers | Jump Height |
|----------------------------|-------------|
| Less than 10 in. | 4 in. |
| 10 in. to less than 15 in. | 8 in. |
| 15 in. to less than 20 in. | 12 in. |

Dorothy McNeill Art Award

The Dorothy McNeill Art Award will be given to one junior fair exhibitor showing drawing, painting, or hand-built pottery. This "Best of Show" award is given to the artist who represents the ideals and creativity of Dorothy McNeill. The award includes a plaque. Dorothy was a life-long Iowa County resident who attended 96 consecutive Iowa County Fairs and earned many blue ribbons on her art exhibits. Dorothy passed away in 2000 and her family established these awards in her memory.

7. Exhibit of finishing materials such as fillers, stains, varnishes, etc.
8. Repaired/refinished article, explanation of steps used
9. Article made in school
10. Display of different adhesives
11. Poster of advanced woodworking tools

DEPARTMENT 23: ELECTRICITY

Superintendent:

Don Kreul 608-574-2693

Rules:

1. Posters may not exceed 14x22" in size
2. Exhibits must include an explanation of how the exhibit was made and what was used to make the item

PREMIUMS: Blue \$3.00; Red \$2.75; White \$2.50; Yellow \$2.25

Electricity Grades 3-4

1. Display of simple switch
2. Light duty extension cord
3. Electric question board
4. Display on magnetism
5. Poster identifying appliances and devices in your home that use electricity

Electricity Grades 5-7

1. Simple homemade buzzer
2. Display showing a soldered connection
3. Three-way switch
4. Light duty extension cord
5. Burglar alarm

Electricity Grades 8-10

1. Wiring layout of your home or other building
2. Electrical tool and supply kit
3. Constructed or repaired lamp; attach explanation of work done
4. Constructed or repaired extension cord-attach explanation of work done
5. Poster on how to read an appliance nametag

Electricity Grades 11-older

1. Display on voltage and polarity
2. "Blinky" flasher
3. Light meter
4. Poster showing at least 12 common electrical symbols on wires and cables and their meanings
5. 6-8-watt homemade amplifier with explanation

DEPARTMENT 24: MECHANICAL SCIENCES

Superintendent:

Don Kreul 608-574-2693

PREMIUMS: Blue \$3.00; Red \$2.75; White \$2.50; Yellow \$2.25

Tractors Grades 3-5

1. Poster identifying tractor parts and their functions
2. Poster on how to start and stop a tractor
3. Display showing different kinds of nuts, bolts, etc. used on tractors, properly labeled
4. Poster on safety hazards when operating a tractor
5. Display showing the role of ROPS (rollover protective structure)
6. Poster on hand signals
7. Poster on machine hazards
8. Poster on types of fire extinguishers
9. Other tractor exhibit

Tractors Grades 6-8

1. Poster on general farm safety rules
2. Poster on PTO (power take-off) safety
3. Display showing causes of tractor rollovers
4. Exhibit on maintenance checks before operating a tractor
5. Poster on types of tractor fuels
6. Display showing types and functions of tractor systems
7. Poster on recycling tractor batteries and oil
8. Other tractor exhibit

Tractors Grades 9-older

1. Poster on flowing grain hazards
2. Exhibit showing how to safely hitch and unhitch implement
3. Poster on hydraulic systems compared
4. Poster on mower safety
5. Exhibit showing how to use conveyors and augers safely
6. Poster on cooling system safety
7. Poster on hydraulic system and fuel safety
8. Exhibit showing tractor maintenance log
9. Poster on battery types, functions, and care
10. Poster on oil viscosity and classification
11. Poster on servicing oil, fuel, and hydraulic filters
12. Poster on engine air requirements
13. Other tractor exhibit

Aerospace

- Each aerospace exhibit must be accompanied by a 3x5 card with the following information
 - Difficulties in building the model
 - Manufacturer of kit (box name, kit number, etc.)
 - Type of paint used and how applied
 - Finishing procedures after built (decals, sealers, etc.)
 - Any help in building the kit

Aerospace Grades 3-5

1. Rubber powered airplane
2. Electric or gas-powered airplane
3. Non-powered airplane
4. Exhibit on the parts of an airplane or rocket, displayed and labeled
5. Exhibit explaining one or more principles of flight
6. Hot air balloon model
7. Paper airplane or helicopter
8. Single stage rocket
9. Multi stage rocket
10. Other airplane exhibit
11. Other rocket exhibit

Aerospace Grades 6-8

1. Electric or gas-powered airplane
2. Non-powered airplane
3. Exhibits on the parts of an airplane or rocket; displayed and labeled
4. Exhibit showing remote control parts and their functions
5. Paper flight simulator
6. Homemade hang glider
7. Controllable glider
8. Balloon shuttle
9. Single stage rocket
10. Multi stage rocket
11. Other airplane exhibit
12. Other rocket exhibit

Aerospace Grades 9-older

1. Rubber powered airplane
2. Electric or gas-powered airplane
3. Non-powered airplane
4. Exhibit on the parts of an airplane or rocket, displayed and labeled
5. Exhibit explaining one or more principles of flight
6. Altitude tracker
7. How to earn a pilot's certificate
8. Navigation system
9. Homemade hang glider
10. Single stage rocket
11. Multi stage rocket
12. Other airplane exhibit
13. Other rocket exhibit

Robotics

- Exhibitor may enter no more than 5 entries, 1 per lot
- All entries must include a printout of your program
- Any entries that require a course or props must be created or provided by the youth and brought to judging with the robot

Robotics Grades 3-8

1. Poster on parts of a robot
2. Exhibit on programming sensors
3. Exhibit on programming language
4. Chart of 20 robotic terms and their definitions
5. Robot you made with a card attached explaining how robot was designed and built
6. Robot that goes forward for 4 seconds
7. Program: robot goes forward and backward
8. Program: robot navigate a maze designed by the youth
9. Program: robot stops, using a light sensor
10. Program: robot stops, using a touch sensor

Robotics: Grades 9-older

1. Robot that you designed and built with a card attached describing how the robot was built
2. Poster: types of gears
3. Report: how gear ratio affects distance traveled
4. Report: how gear ratio affects travel speed
5. Program: robot does multiple tasks at same time
6. Program: robot follows a line, using loops
7. Exhibit about possible careers in robotics
8. Exhibit on 10 different tasks robots can accomplish
9. Program: robot goes completely around a container without touching it
10. Program: robot grips soda can and returns it to starting point

Scale Models

Rules:

1. **No more than 2 entries** may be made by one exhibitor in this class. One per lot number
2. The largest scale to be used is 1/12 scale (1 inch equals 1 foot). A 1/64 scale is preferred but not required. Do not mix scale sizes.
3. First year modelers can build Snap Tite kits, but must follow kit rules.
4. All models must be fully glued, painted, or covered except models built from Legos or K'Nex
5. Each exhibit must be accompanied by a minimum of a 3x5 card. Be prepared to tell the judge about the project.
6. Model card information:
 - a. Difficulties in building the model
 - b. Any help and amount of time building it
 - c. Manufacturer of kit (box name, kit number, etc.)
 - d. Specify any customized pieces, purchases or customized by the exhibitor
 - e. Type of paint used and how applied
 - f. Finishing procedures after built (decals, sealer, etc.)
7. Diorama card information
 - a. Diorama title
 - b. Difficulty with the build
 - c. Any help building it
 - d. Amount of time building it
 - e. Specify any custom pieces and whether those pieces were purchased or customized by the exhibitor
 - f. Explain the activity in your diorama, you may use an additional card if needed
8. **Dioramas will be limited in size to 3x4'. Youth must provide their own 3x4' or smaller base. The 3ft side must be the front of the display.**
9. Failure to follow the above rules/requirements will be lowered one place setting.

Definitions:

- Scratch built-buying or making individual parts and building a scale model or diorama
- Custom built-starting with a kit or a model and completely changing or modifying its appearance
- Kitbashed-taking two or more kits and combining them into one scale model or diorama
- Cut-in-half exhibit-consists of a non-living object (purse, shoe, sock, clock, etc.) cut in half then a Lego structure created and attached to the object
- Diorama-a three-dimensional representation of a scene in which objects or models are arranged in a natural setting, i.e. farm display

Scale Model Grades 3-5

1. Military item (tanks, trucks, cannons, personnel vehicles)
2. Aquatic item (ships, submarines, boats)
3. Highway transportation item (semi, truck, car, motorcycle)
4. Railroad item (engine, railroad car, railroad equipment)
5. Air transportation item (airplane, helicopter)
6. Agricultural item (tractor, wagon, farm equipment)
7. Model constructed from Legos
8. Model constructed from K'Nex
9. Cut-in-half Lego exhibit
10. Any other model not listed above kit built
11. Any other model not listed above scratch built

Dioramas Grades 3-5

12. Agricultural diorama built from a kit
13. Agricultural diorama, scratch built, custom built or kitbashed
14. Other diorama, not agricultural, built from a kit
15. Other diorama, not agricultural, scratch built, custom built, or kitbashed

Scale Models Grades 6-8

1. Military item (tanks, trucks, cannons, personnel vehicles)
2. Aquatic item (ships, submarines, boats)
3. Highway transportation item (semi, truck, car, motorcycle)
4. Railroad item (engine, railroad car, railroad equipment)
5. Air transportation item (airplane, helicopter)
6. Agricultural item (tractor, wagon, farm equipment)
7. Model constructed from Legos
8. Model constructed from K'Nex
9. Cut-in-half Lego exhibit
10. Any other model not listed above kit built
11. Any other model not listed above scratch built

Dioramas Grades 6-8

12. Agricultural diorama built from a kit
13. Agricultural diorama, scratch built, custom built or kitbashed
14. Other diorama, not agricultural, built from a kit
15. Other diorama, not agricultural, scratch built, custom built, or kitbashed

Scale Models Grades 9-older

1. Military item (tanks, trucks, cannons, personnel vehicles)
2. Aquatic item (ships, submarines, boats)
3. Highway transportation item (semi, truck, car, motorcycle)
4. Railroad item (engine, railroad car, railroad equipment)
5. Air transportation item (airplane, helicopter)
6. Agricultural item (tractor, wagon, farm equipment)
7. Model constructed from Legos
8. Model constructed from K'Nex
9. Cut-in-half Lego exhibit
10. Any other model not listed above kit built
11. Any other model not listed above scratch built

Dioramas Grades 9-older

12. Agricultural diorama built from a kit
13. Agricultural diorama, scratch built, custom built or kitbashed
14. Other diorama, not agricultural, built from a kit
15. Other diorama, not agricultural, scratch built, custom built, or kitbashed

Small Engines

- Posters may not exceed 14x22" in size

Small Engines Grades 3-5

1. Tools and their use for small engines
2. Exhibit on proper engine care
3. Poster on protective gear to wear when working with small engines
4. Safety rules when using small engines
5. Parts of a small engine
6. Safety labels
7. Small engine related careers
8. Written account of an interview with a professional in the field of small engines

Small Engines Grades 6-8

1. Internal small engine parts and their function
2. Exhibit showing preparation of engine for storage
3. Exhibit on at least two different engine types
4. Specialty tools for working with small engines
5. Types of lawn mowers
6. Mowing safety rules
7. Chart showing displaces of two engines
8. Engine oil grades

Small Engines Grades 9-older

1. Diagnostic tools and their use for working with small engines
2. Engine sounds
3. Lawn mower maintenance
4. Exhibit describing the procedure to successfully reassemble the air and fuel system of a small engine
5. Exhibit describing the procedure to successfully reassemble the electrical system of a small engine
6. Exhibit describing the procedure to successfully reassemble the engine base of a small engine
7. Trends in the small engine industry
8. Local small engine laws and regulations
9. Comparison of small engine prices

Geospatial

1. Poster or display on types of geographical tools
2. Poster explaining the coordinate-grid reference system
3. Poster or display on types and uses of snaps
4. Map of "my neighborhood" with list of features
5. Display on the difference between population and road maps
6. Themed geocache packaged in a watertight container. You should include a small notebook for finders to log their visit and small trinkets for finders to take or trade. Documentation should include a title, teaser description and the geographic coordinates of intended placement.

Welding

- Posters may not exceed 14x22" in size

Welding Grades 6-8

1. Poster showing different types of welding
2. Poster showing different equipment used for welding
3. Repaired item
4. Manufactured item
5. Any other welding project

Welding Grades 9-older

1. Poster showing different equipment used for welding
2. A display of 3 welds (T-joint, butt weld, and lap weld) using oxyacetylene, arc, and wire welder. Joints may be no more than 3" long
3. Repaired item
4. Manufactured item
5. Any other welding project
6. Any welding project done in an industrial arts class
